To whom it may concern.

I would like to take a moment to address the business relationship that Groeniger & Company has had with Kern Pacific Construction Co. Kern Pacific Construction Co established themselves as customer with Groeniger in 1998. Since that time they have been a key account to our success and maintained their status as a preferred customer. They have always exhibited a professional manner in all transactions. We hope to continue our relationship of mutual success in the future.

Sincerely
Gary Spring
