Dear Mr. Meenach,

This letter is to confirm Kern Pacific's standing with Cummins West, Inc./Shanahan Equipment (CWI). With the level of purchases and the excellent manner in which you have handled your all dealings with CWI, your firm has been classified as a Gold Level Customer. This designation allows Kern Pacific virtually unlimited access to our available machine inventories as negotiated with our Sales Department without the normal delays of Sales and Credit Approvals. With this designation, we have also assigned a credit limit to meet or exceed your immediate normal day to day needs, with the provision that should your needs exceed this amount, we will give your firm top priority in reviewing the account for a higher level of purchases.

This designation is subject to periodic credit review, but we anticipate that the excellent relationship will continue in the future as it has in the past.

We appreciate your business and look forward to many years of partnering with you in the future. Please call if we can be of further service.

Sincerely,

Paul R. Shotts  
Credit Manager
